

Add and Subtract

Maths is easy with English! + (plus) - (minus) = (equal)

1- eleven + seven = _____

2- nine + ten = _____

3- eight + six = _____

4- twenty + two = _____

5- thirteen + three = _____

6- eleven + one = _____

7- fifteen + five = _____

8- six + five = _____

9- three + eight = _____

10- seven + seven = _____

11- ten - eight = _____

12- seven - three = _____

13- ten - two = _____

14- five - one = _____

15- nine - eight = _____

16- twelve - five = _____

17- six - six = _____

18- six + two = _____

19- two + six = _____

20- eight - two = _____

21- thirteen - one = _____

22- ten - two = _____

23- eleven - three = _____

24- seven - four = _____

25- twelve - seven = _____

26- fifteen - three = _____

27- nine - three = _____

28- five - two = _____

29- eleven - one = _____

30- sixteen - six = _____

31- twelve - two = _____

32- nine - eight = _____

33- six - five = _____

34- six **minus** two = _____

35- ten **minus** seven = _____

36- five **minus** three = _____

37- eight **minus** one = _____

38- fourteen **plus** one = _____

39- eleven **plus** four = _____

40- ten **plus** one = _____

41- seven **plus** three = _____

42- Seven **plus** four = _____
